CHRISTIANIZED FOREIGNERS PROVE LOYAL TO FLAG OF UNITED STATES

SOUTHERN BAPTISTS FIND THAT NO EVANGELIZED PERSON FROM OTHER COUNTRIES HAS PROVED TRAITOR TO HIS ADOPTED LAND—LARGE WORK IS BEING DONE AMONG THEM.

A group of large boys of foreign parentage, reached and made happy by Baptist Good Will Center.

Patriotism and religion go hand in hand in the work which Southern Baptists are doing for the foreigners in their midst, declare the several workers in this field who have found that wherever a man, woman or child of foreign birth or parentage has been won to the Christian religion that one stands foursquare for the flag, laws and institutions of the United States. Work in evangelizing and Americanizing the 4,000,000 people of foreign birth and parentage residing within the territory of the Southern Baptist Convention has been carried on by representatives of the Home Mission Board and the Woman's Missionary Union of the Southern Baptist Convention for several years, but this work will be enlarged and intensified as a result of the larger proceeds made available for it through the 75 Million Campaign.

Important Centers Named.

Among some of the more important centers in the South and Southwest where work of this character is carried on are Richmond and Norfolk, Virginia; Baltimore, Maryland; Louisville, Kentucky; Tampa, Florida; Birmingham, Silver Hill and Mobile, Alabama; Meridian, Miss.; New Orleans and Church Point, La.; San Antonio, Laredo, El Paso and Fort Worth, Texas; Krebs, Okla., and East St. Louis, Herrin, Christopher, Harrisburg, Granite City and other points in Illinois.

Aims That Are Sought.

Indicating the aims that are sought in this work, they may be briefly summarized as follows:

2. To inspire the older boys and girls with ideals that will help them to improve their environment and give them strength to cope with temptations.
3. To interest the young people in sane and wholesome pleasures that their energies may be rightly directed.

For Sale Simpkins Ideal Cotton Seed

Just received a carload of North Carolina grown seed. This cotton originated in North Carolina and is one of the most widely known varieties in existence. It is a very heavy fruiter, turns out 40 per cent lint, mostly five lock, light foliage, and is the earliest variety of cotton known, being 90 days from planting to the boll. This is not a rank growing variety. It fruits better than a great many other cottons of the same type, not having so many vegetative links that do not bear fruit.

Good planting seed will be almost unobtainable within eight weeks so order at once. Price, 2 1-2 bushel bag \$7.50 per bag. Order in 2 1-2, 5, 7 1-2, etc. lots as we do not break bags

CALLED HER FAMILY TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Boysie City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot... I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.
